Subject: Letter of Recommendation

Dear Sir/Madam:

I am pleased to offer my personal recommendation for Teal Jefferis.

I have known Teal for over 5 years in his capacity as President of Jefferis Engineering Associates, LLC and for his work as Engineer on our agencies HOPE VI Revitalization Grant within the City of New Brunswick. I believe he has the skills and ability to manage large development projects and that he works well with City permit and planning offices. Mr. Jefferis is a hardworking, intelligent professional who has always demonstrated leadership abilities and takes full advantage of the opportunities available to him.

Teal has proven work experience in managing engineering projects on both commercial and residential project levels.

I would strongly recommend him for any position without reservation.

Sincerely,

John Clarke
Executive Director
